Class of 2024 Graduates:

If you earned a Suffolk degree between September 2023 and May 2024, you can help grow this dashboard! Help support future generations of Suffolk career seekers and students by sharing your outcome in the Class of 2024 Outcomes Survey.

This document provides career outcomes information for the Sawyer Business School and College of Arts & Sciences at Suffolk University, specific to the Class of 2023 which includes students who had their degree(s) conferred between July 1, 2022 and June 30, 2023.

Data collection was conducted over a 12-month period following the May 2023 graduation. Collection methods include surveys, direct outreach through email and phone, professional data scraping, and individual online research. All information is heavily verified to ensure each graduate's post-Suffolk journey is represented as correctly and accurately as possible.

Suffolk University adheres to the National Association of Colleges and Employers (NACE) standards and guidelines, with the exception of extending the research deadline from 6 to 12 months.

For more detailed information about the methodology, or any questions or concerns regarding Suffolk University's career outcomes data or this document, please contact the Office of Institutional Research and Assessment at oir@suffolk.edu.
