NEW STUDENT ORGANIZATION REGISTRATION

A new student organization is one that is completing the registration process for the first time, or one registering after a period of inactivity of one semester or longer. Prior to completing a registration packet for the first time or reactivating a club or organization, a student should:

1. Meet with the Director of SLI or designee to discuss plans and review the process.
2. Appoint an acting chairperson and secretary to conduct initial meetings and record meeting proceedings.
3. Certify in writing that at least 6 Suffolk University students are interested in becoming active members of the proposed organization.
4. Draft a constitution for the proposed organization, including the organization's official name, purpose, and the rules under which it will operate, and the names of any local, state or national organizations to which the proposed organization will be affiliated.

5. Select a faculty or staff advisor and submit a letter of confirmation for his/her willingness to serve in this capacity (an Advisor Consent Form can be used for this purpose).

6. Complete all the necessary paperwork in the registration packet.

Once these steps are completed, a new club is ready to be registered.

Official notification of completed registration will be given by a designee of the Student Leadership and Involvement Office. Once an organization completes all the required steps they will be assigned a Program Advisor. They will be expected to follow all rules and regulations of a Suffolk University Student Organization.
